

# Commandments

tune by Tchaikovsky  
from *Symphony no.5*

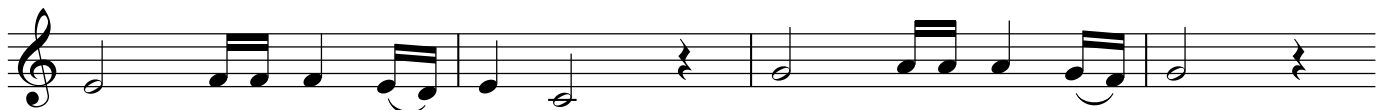

## ALL ANIMALS

Four eyes means an e - ne-my, Two eyes means a friend,

Those are the first com - mand - ments which none of us must\_ bend.

All a - ni-mals are\_ e - qual, All a - ni-mals are\_ friends,

And that is how, good com - rades, the last com - mand - ment ends.
