

Work Harder!

*Tune: Volga Boatsong,
Traditional Russian*

BOXER: *ALL:*

I'll work har-der! We'll work har-der! We'll toil till we've built our_ Wind-mill.

Make the knot_ and_ tie it right! Take the rope_ and_ hold it tight!

BOX: I'll go down to the mine this time, Shat - ter the stone and_ scat - ter the lime,

ALL:

Haul from the hip and don't let it slip. Pull the stone up the slope with the long_ strong rope.

There, down the hill goes grist to the mill, We'll work with a song and we'll build_ it strong!
